- **Area of Interest:** Web Design and Development Soft skill, Full-Stack.

Soft Skill

- Observation
- Decision making
- Communication
- Multi-tasking
- Problem-solving and Analytical Skills

Education Background

- Bachelor of Technology ITM University | 2020-2024
  Computer Science * Grade:8.15

- Saraswati Shishu Mandir Badalgarh Higher Secondary | 2019-2020
  Grade * 81%

- Saraswati Shishu Mandir Badalgarh High School | 2017-2018
  Grade * 84%

About Me

I am an enthusiastic and hardworking and self☐motivated individual with excellent time-management and leadership skills. Seeking an entry-level position to kickstart a career and develop professional skills. Highly motivated, eager to learn and absorb new ideas, with the ambition to succeed. Ready to take on any challenge and prove an asset to any organisation.

Experience

Full-Stack developer • PN Infosys March 2023 - Aug 2023
Developed a full-stack MERN (MongoDB, Express, React, Node.js) application for a live blog: • Utilized Node.js for backend development, Express for API routing, MongoDB for database storage, and React for frontend development • Implemented authentication and authorization with JSON Web Tokens

Front-End developer • PN Infosys Nov 2022 – Feb 2023
Developed responsive live website, utilizing front-end development skills. Enhanced UX/UI designs; actively contributed to improving code and debugging processes. Utilized creative problem-solving skills to reach desired goals. Mastered HTML, CSS, JavaScript, and various development tools. Applied coding expertise to improve website, facilitating navigation and usability

Certificates

- AWS Cloud Virtual Internship (online)
- Web Development

Projects

COLLEGE PORTAL
Utilizing Express MongoDB and Node.jS ,Frontend Live server , Live Database
https://admission-portal-273e.onrender.com/home

BLOG PROJECT (LIVE PROJECT)
Implemented a range of operations for blog, such as adding, editing, and deleting blogs • Utilized HTML, CSS, JavaScript and MERN to create an interactive user interface
https://blog-project-k8fi.onrender.com/
